

THE BUSINESS PARTNER ADVANTAGE

GAIN UNPARALLELED ACCESS TO THE SELF-OP COMMUNITY AND BECOME A BUSINESS PARTNER TODAY

AHF Business Partners, companies that supply food, materials, equipment, technology, or services to our self-operated members, are a vital part of the AHF community. Take a look at the various member benefits our business partners enjoy and become a member today.

CONNECT WITH YOUR COMMUNITY

Make lasting connections with foodservice leaders, both in acute and long-term care space, to help grow your business and professional career. There's no better way to network and collaborate with self-operated facilities and operators.

ANNUAL CONFERENCE

Take part in the over 18 networking hours to meet new clients and connect with current clients and friends. Attend the trade show and educational sessions to gain better insights into industry innovations and up and coming trends and mingle with customers at the nightly receptions.

ONLINE MEMBER COMMUNITIES

Take advantage of the collective knowledge of 1300+ members available at your fingertips 24-hours a day with our online member community. Share best practices, offer insights and industry knowledge and post questions for the AHF community to answer.

SEARCHABLE MEMBER DIRECTORY

Looking to connect with a fellow AHF member directly? Utilize AHF's member directory to find operators, services products, and valued partners you need. This is an invaluable resource for any business partner member.

LEADERSHIP OPPORTUNITIES

Get involved with AHF at the committee or leadership level and help shape the programs and activities AHF offers to our valued members.

INDUSTRY PUBLICATIONS

Stay up to date with trends, best practices and the latest in the healthcare foodservice industry. Business members receive monthly e-newsletters as well as our quarterly *S.O. Connected magazine*, which is distributed both printed and electronically.

ONLINE EDUCATION

Keep informed by participating in AHF's online webinars throughout the year. Offering both monthly one-hour webinars and micro-learning Coffee Talks, take advantage of these free educational offerings to stay engaged and informed with the industry.
