Dear AHF Member:

We are pleased to present the 2023 conference edition of the AHF Business Partner Directory!

This is a directory of all AHF Business Partners that have committed to year-long sponsorships Bronze and higher of AHF for 2023. AHF's operator members look to this directory for new ideas, solutions, and inspiration. Over the past three years, 40% of operator members responded and stated that they were influenced by the business partner directory and tradeshow to make a supplier change (from an existing supplier); which is a powerful statement of the impact your partnership participation has had!

Included in this edition is the name for each Business Partner's point of contact, their email address, and the company website. Search the AHF Business Partner Directory by:

- Company name
- Product line category

### Why use the AHF Directory?

- 1. Make your life easier!** This Directory outlines products, services, and equipment offered by our Business Partner members. AHF's Business Partners include some of the most innovative and recognized companies in the world.
- 2. Stop The Endless Google Hunt** – Our Directory is filled with companies and clear direct or best-suited contacts ready and waiting to help AHF's self-operators to do our very best work. They're waiting to hear from you!
- 3. Boost your Competitive Advantage** – Our business partners provide multiple innovations across multiple segments to help you educate your administrators and colleagues. More than that you can easily gain multiple solutions for new projects with ease.

### Support the companies that support AHF

We highly encourage all Operator Members to turn to this Business Partner Directory as your first resource when you're considering your purchases. AHF Business Partners make sizable investments in AHF, and they appreciate your year-long support.

Thank you for your support and commitment to AHF. We are a volunteer-run organization that depends on its loyal members to realize our mission of supporting the self-operated healthcare industry.

We invite you to thank AHF Business Partners by reaching out to the companies in this Directory! As we continue to evolve our operations and programs, look to our business partners as subject matter experts in areas that are critical to your success.

Sincerely,

**Robert Darrah**  
AHF President
